The song has no Profanity, Violence or Sexual References. It is just about how an ex can leave you feeling "Alone!" While they break up with you, I feel like me in an empty school which is usually filled with many hundreds of kids. Only has one kid as Alone as

Hk: You just left me lonely, you were s'posed to hold me, you told me to keep it lowkey, but then you go and play me, I don't care what you need I don't care what you want, cause you lied to me instead of keeping it a buck, why did you snake around instead of keeping it up front, now I'm all alone with the my horns throw em up.

Verse 1: You played me baby why you play me, you acting shady now you finna drive me crazy. I swear when I blow you'll be nothing but the past but when you'll in the present you just got me in my bag.

BELTING: Like ohhh why'd you have to lie to me, you said that you would ride for me but I guess those were just lies I seeee

Hook belted

Verse2:

Belted: Keep it real keep it real why you mlie to me, why'd you waste my time? Why you did you confide in me, Lil Wolfe the only person who I'm trying to be, how did you easily get so over me,

Back to normal: How did you do it so easy, I was so scared you leave, you left now I got the splash like it's Fiji, that pettiness just so beneath me.
